NEW ROAD
To Open Ohio Coal Territory.

Incorporated at Columbus Today—Extension of Barborton Belt Line.

(Special Correspondence.)

Columbus, O., Jan. 26.—The incorporation of the Lake Erie, Alliance and Wheeling Railroad company, of Alliance, and that of the Lake Erie, Alliance and Wheeling Coal company, of Cleveland, were authorized by Secretary Laylin this morning. The capital stock of each company is placed at \$2,000,000 and Cleveland capitalists have organized each.

The railroad company will operate a road for freight and passengers from Fairport, Lake county, to Bridgeport, Belmont county, through the counties of Lake, Geauga, Portage, Trumbull, Mahoning, Stark, Carroll, Jefferson, Harrison and Belmont. The right is reserved to lease or purchase railroads and right of way.

The incorporators are H. A. Garfield, Frederic O. Howe, Lee Selover, W. Harper and A. J. Sweeney.

The coal company will do a general mining business with the privilege of operating railroads. The incorporators are James R. Garfield, W. B. Upt, William O. Mathews, Abram Garfield and Flavel Beckwith.

The Barborton Belt Line Railroad company has filed a certificate authorizing the construction of a branch to East Barborton, Coventry township, Summit county.

TRUST

Blocks Sale of Bonds For Building.

Monroe Seiberling's Independent Plate Glass Plant at Peoria.

A year ago it was announced that the citizens of Ottawa, Ill., had raised \$105,000 in money and had guaranteed a free site, provided Monroe Seiberling and his associates would erect their proposed plate glass plant in that city. The bonus was accepted and work was started on the buildings. The estimated cost of the structure was \$1,000,000. Up to the present time there has been an outlay of \$500,000. For some time operations have been suspended because of the fact that Mr. Seiberling has been unable to float bonds issued by the company. It is said that the plate glass trust has commenced work on him and that, that is the reason there is no sale for the securities. The

people of Ottawa are growing impatient because the company is not pushing the construction of the buildings.

THE ONLY REMEDY THAT ALWAYS CURES

Senator Dwyer Gives Full Credit to Paine's Celery Compound.

Paine's Celery Compound has been for years, and is now, the general prescription of most eminent practitioners of medicines in this country. It is the result of the best scientific knowledge and research of the last quarter of a century. It is in no sense a patent medicine, and for that reason more physicians of high standing are using, prescribing and recommending it than any other remedy.

Senator Dwyer had used various medicines and they had done him no good. Just how Paine's Celery Compound was first brought to his attention, he does not remember, but it has done so much for his health that it has no more enthusiastic advocate in the city of Chicago. He gives full credit to Paine's Celery Compound for the great improvement in his health.

"Senate Chamber, General Assembly, Springfield, Ill., Feb. 25, 1900.

"Gentlemen: It is with a sincere pleasure that I furnish this testimonial to the superior merits of Paine's Celery Compound. I have found it an efficacious and agreeable remedy for various complaints which refused to yield to other forms of treatment, and I can cheerfully recommend it.

"EDWARD M. DWYER.

Senator Dwyer has held many positions of trust both in the city and State. Elected Northwest town clerk, before he had concluded his term, Mayor Washburn appointed him superintendent of the city water office. Later he became West town assessor,

and in 1894 was elected to the Illinois State Senate, in which body he took a prominent part during last winter's session.

Senator Dwyer has recommended Paine's Celery Compound to many of his friends, and has yet to hear anything but the most favorable results from any one of them.

Busy men and women threatened with failure of nerve force and showing the effect of too prolonged, too hard, or too anxious work by periods of languor, depression, nervousness, dyspepsia, or other signs of nerve exhaustion, will find Paine's Celery Compound an invigorator as superior to all other remedies as modern scientific methods are superior to old-fashioned inaccurate ones.

When Paine's Celery Compound is used other members of the family are quick to see the great gain in health. Paine's Celery Compound is the one known nerve feeder and nerve restorative. By its means all the functions of the body receive a fresh supply of nerve food. It encourages the body to produce an abundant supply of this indispensable vital force, without which there can be no health, strength, nor happiness in living. From the lack of nerve force men and women are driven to despondency, melancholy, insanity and suicide.

There will be no neuralgia, no persistent headaches, no dyspepsia, no haunting pain over the eyes, no nervous exhaustion, if Paine's Celery Compound is used.

people of Ottawa are growing impatient because the company is not pushing the construction of the buildings.

CANDIDACY

Of M. B. Bedortha Has B en Announc d —Citizens' Peition.

Attorney R. B. Bedortha, of Ohlin, has formally announced his candidacy for the nomination as Common Pleas Judge. The Republicans of Oberlin and Russia township, Lorain county, signed a petition asking him to make the contest. It is said that every Republican in the village and township signed the petition. If elected Mr. Bedortha would succeed Judge Nye.
